## Ministry Progress

Our rental retreats are returning, and the spring weekends are filling up! We have received the shipment of the Hillside playground components and looking forward to its completion. It will be a great addition to the Hillside campus.

Registrations are opening this month for the women's retreats and summer camp. We know many are anxiously awaiting.

The Lake Aurora ministry relies on its volunteers to help us plan, develop, staff, and facilitate her programs. We are grateful to have such a strong partnership with our churches to serve alongside our professional team. We are making an impact together for Christ! 🌳

## Praise/Prayers

- \* Praise - Hillside playground components have been delivered!
- \* Praise - Numerous projects are being completed to improve program and facilities!
- \* Prayers - Workers! For the recruitment and selection of our summer volunteers and summer long Omega teams and seasonal paid kitchen help.

## "My Story"... from our friends

A former camper writes...  
"Every minute we were at camp was safe, solid, a protection from our storm at home....There was no where on earth we would rather be.."

# Looking Ahead...

Preserving the Past...

## Tent Pegs

...Securing the Future  
TENT PEGS continue to serve as our vehicle to grow the ministry and will provide funding for the next project - the Large Assembly Building- "Oak Hammock".

"Roots Secure - Branching Out"

1 Peg = \$25 a month donated over 3 yrs or any combination.

Oak Hammock Cost: We anticipate it will be \$1.1 million to build. We are 1/3 of the way there with over \$400K in savings toward construction.

2022 will be our 75th Birthday and what a way to celebrate by raising 75% of the goal! It's possible if 75 churches encourage 75 families to give \$75.
