Ministry Progress

We are so grateful and excited to be moving into summer camp 2021 in a better position than 2020. Most programs are open to 75% housing capacity to give us all a little more space and the ability to be flexible. We can't wait to witness what God will do in changing lives that impact the community and His kingdom.

While most programs are at capacity, there is room in our wilderness programs that really experience and appreciate God's creation up close! So encourage a camper to stretch themselves!

Please pray for all those involved with this summer season.

Praise/Prayers

- * Praise - Summer Camp programs are starting!
- * Praise - Omega Team (Summer Staff) selected and begin June 8.
- * Prayers - Preparation of both volunteer and paid workers to be spiritually and physically fit for the roles in summer camp. For safety of all.
- * Prayers - For the hearts of campers to be malable to Christ's call.

Looking Ahead...

Prayers for Summer Camp

Summer camp has its challenges in even the most 'normal' of times. We know that prayer is the most important ingredient of all and request your prayers all summer. For wisdom, safety, health, impact and healing from a year of isolation and fear. May God be glorified and in all things and we can all "DECLARE" His majesty and sovereignty over all!

We continue to hold attendance to 75% housing capacity. Our Life Expeditions, primitive camping programs, have room to grow. Register online at lakeaurora.org.
