Ministry Progress

Our 75th summer camp programs are complete! Truly an opportunity to 'reset' and focus on God's Word and how it guides our lives. From May 31 to August 6, we served 2,237 participants (campers/volunteers). In our Lake Aurora programs, seventy young people made public decisions to start anew, with 60 beginning their walk with baptism. God is good, and we are thankful to be a part of His work.

In August, we continue our journey through our history and highlight the 1990s. The restructured Board gives shape to the Master Planning process. Steve and Phyllis Bornemann were hired in 1990, low ropes elements were added, the Dining hall was constructed, and the strong "Tent Peg" program, that is still active today, was created to fund development.

Preserving the Past...

Tent Pegs

...Securing the Future

1 Peg = \$25 a month donated over 3 yrs or any combination.

TENT PEGS will provide funding for the Large Assembly Building - "Oak Hammock".

We anticipate \$1.1 million to build. We more than 1/2 of the way there with over \$650K in savings toward construction.

Oak Hammock Cost:

What a way to celebrate 75 years by raising 75% of the goal! It's possible if 75 churches encourage 75 families to give \$75.

"Keeping the Cost Down"

THANK YOU!!!

Abundance of donated everyday items helped us meet the need to keep summer camp costs down!

We also received a weatherproof Foose ball table to add to our program games!!

We also have a "Amazon Wish List" that is convenient to shop and send!
