Staff Family News

- * It is a very different kind of season. Our staff and families are adapting until a more active season returns. Special projects, reduced hours, temporary leaves of absence.

"My Story"... from our friends

"I respect and appreciate the prayer and thoughtfulness that I'm sure went into the decision to cancel the remaining programs this summer. God is faithful, and there is no doubt that He will continue to provide and allow Lake Aurora to remain a vibrant and effective ministry that shares His love with so many."

Ministry Progress

God is working and moving even when we don't see it. Our fall programs are being adjusted to reduce risk and provide the cleanest environment. We also recently received the first rendition of the large assembly building from the engineer. While we wait, God is still moving. We trust Him and are adjusting how we minister.

Praise/Prayers

- * Praise - For significant gifts from former and current trustees to help us bridge the financial loss of income gap.
- * Praise - For the opportunity to offer our fall retreats with adjustments.
- * Prayer - For continued wisdom and flexibility in serving as God does "a new thing" in His church and world. Isaiah 43:19

We are so grateful for the continued monthly commitments. We've had several send extra gifts. Thank you! These love gifts help us cover the loss of income in this trying season.

"Roots Secure - Branching Out"

Let your roots grow down into him, and let your lives be built on him. Then your faith will grow strong in the truth you were taught, and you will overflow with thankfulness.
