## Staff Family News

- \* It is hard to say farewell to staff that are transitioning to new chapters. **Hallie Hull**, Guest Relations Assistant, will be moving out of state the end of this month to new adventures. We will miss her greatly and praying for what God has planned for her.
- \* We are grateful for **Autumn Quinn** and **Catie Holton** that have continued with us past the summer to assist us in various departments! They are our own 'swiss army knives' willing and able to serve where needed!
- \* **Steve Bornemann** will be paddling down the Missouri River this month raising funds in the PeaceMaker Paddle for Stirring Waters! Check out our Donate page!

## Ministry Progress

Ministry happens year-round at Lake Aurora. The retreat season has a different feel and look, but its impact on a life change is evident. We support and facilitate opportunities for our supporting churches and other organizations and churches to take time in God's creation to regroup, plan, and grow relationships with each other and our Lord. It is encouraging to have groups returning!

In our 75th year, we are looking back while moving forward and celebrating the "2000 decade" ministry progress! It was a busy decade purchasing property on the north end, constructing the Ministry Center, and completing five cabins, along with the transition of Bill Redmon's 34 years of leadership to the lake's historic 100-year flood line rise. 🌳

## Praise/Prayers

- \* Praise - For a busy beginning to our retreat season. Guests are returning!
- \* Praise - For an Impact Polk grant provided by the George W. Jenkins Fund within the GiveWell Community Foundation that supplemented our campership funds this summer.
- \* Prayer - Lake Aurora is God's camp and trusting Him in timing of people, programs, gifts, and projects.

Preserving the Past

## Tent Pegs

...Securing the Future

1 Peg = \$25 a month donated over 3 yrs or any combination.

TENT PEGS will provide funding for the Large Assembly Building - "Oak Hammock".

We anticipate \$1.1 million to build. We more than 1/2 of the way there with over \$650K in savings toward construction.

## Oak Hammock Cost:

What a way to celebrate 75 years by raising 75% of the goal! It's possible if 75 churches encourage 75 families to give \$75.
