**Ministry Progress**

It's happening!! Finally, after YEARS of planning, the Oak Hammock is gaining traction, and materials are in production. We are inviting all our friends to join us in funding this critical project to completion.

Always in God's timing, we see the need more significant than ever in this season. Ministry needs have increased to serve larger groups for retreats, day groups, more special needs groups, and as a central meeting space for our churches. We are eager to be poised and ready to serve ministry needs of all shapes, sizes, and abilities.

As we close out our fiscal year at the end of September, we look forward to 2024. Please pray with us for clarity on the next steps and what opportunities are a priority for the camp ministry. 🙏

**Praise/Prayers**

- ❑ Praise - For the many groups using our campus for ministry and planning.
- ❑ Praise - For receiving our permit from state agencies to begin construction of the Oak Hammock.
- ❑ Prayer - For trusting God to supply the needed funds to complete the Oak Hammock debt-free through His people!

**Tent Pegs**  
 ...Securing the Future

1 Peg = \$25 a month donated over 3 yrs or any combination.

TENT PEGS are funding the "Oak Hammock".

Current construction quote \$1.9 million. An additional \$700K will build it debt-free.

*"Roots Secure-Branching Out"*

**Oak Hammock Goal:**

We hope to break ground in the late fall of 2023. Materials start arriving in December.

There's no better time than now to drive a tent peg to help raise the funds to build the Oak Hammock debt-free!

Please prayerfully consider how you can be involved to make this a reality! Spread the word and challenge others to join you!
