Ministry Progress

Walking by faith and not by sight is such a challenge. We are continually amazed at what God provides, especially seeing the Oak Hammock realized and utilized this month for our High School Wonder Retreat. We rejoice in the blessing!

We also trust in what God sees ahead. The orange grove property across Golden Bough Road from the camp is transitioning. We know this property is critical in keeping the camp's environment from being overdeveloped. It also has property rights to a 600x20 ft strip through the camp. We have sent a letter of intent to the owners and are praying for a favorable response. God is in control and knows what He wants for His camp. We trust always. 🌿

Praise/Prayers

- Praise - Using the Oak Hammock building for the Wonder Retreat!
- Praise - For the 200+ high schoolers attending the Winter Wonder Retreat.
- Prayer - For direction and funding to secure jeopardized property through the campus and possible additional acreage.
