"To the best of my knowledge my child is physically and emotionally able to take part in the camp program. In the event of a medical emergency, I give permission for a health care professional to do what is necessary for the health of my child. I have reviewed this form and certify that all appropriate medical information is included. I understand I will be notified if my camper has any of the following: if they have an overnight stay in the infirmary, if they have a fever, severe allergic reaction to food, insect bite, etc., or have a need for an emergency room trip.

I recognize that this is a Christian camp, that the Bible will be studied, and that camper conduct, as expressed in the camp literature, will be expected that is consistent with Christian values. I understand that cell phones are not permissible for campers and will not allow my child to bring one to camp. I also give my permission for the use of photographs/videos including my child to be used in future camp publicity."
